

Dry Creek Trash Service

Important Notice / Rate Change

To: All of our Customers & Neighbors,

I am very grateful for all of our loyal customers and neighbors, with your support we have enjoyed a growing business for the past five years,

When we started Dry Creek Trash Service in 2015, we set our prices at the lowest possible rate and have not changed since the first day of business,

Unfortunately, fuel, tires, insurance, landfill and labor cost have all risen in the last five years.

It is a regrettable fact of life, for us to keep providing you with a quality service we must meet the demands of the ever-rising cost of doing business.

Effective April 1st 2022 our rates will increase Approximately 15 %
(That's less than about 3 % per year)

All services that were **Pre-paid before March 1st 2022** will be serviced at the pre-paid rate.
